EXTREME FAITH CAMP!

Our students returned home from Extreme Faith Camp on Friday afternoon.

Please watch on the next upcoming week's bulletin board in Fellowship Hall entrance for pictures

from camp. Thank you so much for your prayers! Please continue to pray for our students, that they may live out what they learned and received at camp. We will have highlights from camp in a few weeks.

"Dear young people, like the first disciples, follow Jesus! Do not be afraid to draw near to Him, to cross the threshold of his dwelling. To speak with Him, face to face, as you talk with a friend. Do not be afraid of the "new life" He is offering. He himself makes it possible for you to receive that life and practice it, with the help of His grace and the gift of His Spirit. Bl. John Paul II, World Youth Day, 2000

New Lighthouse Catholic Media CD'S!!!

We have received New Lighthouse Catholic Media Cd's in the kiosk in fellowship hall. Throughout the summer we will be featuring 1-2 cd's from the kiosk. Please look for these in the kiosk (you may need to look behind some as we have a variety of titles). Don't miss out on an opportunity to grow in Faith!

The Pornography Plaque and the Path to Holiness

Pornography has become pervasive in our culture - a true plague, infecting nearly every corner of our society. Its disastrous effects are seen in sexual addiction, ruined marriages, and shattered lives. Jeff Cavins notes that many men struggle with pornography. With great insight, he shows how we can fight pornography's devastating influence and chart a course to true Christian purity. This talk is the same as "Defating Satan's Deadly Weapon Against Men"

"This CD is a 10 out of 10. It has been a great help in the struggles that I have had in this area since I was about 11 years old."~ John - New Orleans, LA

Check out this CD & more in the stand in Fellowship Hall!
