

Theology of the Body

Discover the "meaning of our whole existence, the meaning of life."

Who: Anyone who wants to learn more about the Theology of the Body, or is seeking answers to these questions: Is there a real purpose to life and if so, what is it? Why were we created male and female? What does the marital union of a man and woman say to us about God and his plan for our lives? What exactly is "Love"?

What: An Introduction to the Theology of the Body: Discovering the Master Plan for Your Life is a comprehensive, eight-part introduction to the liberating message of John Paul II. It is the ideal study for any "body" desiring to learn and incorporate the Theology of the Body into their daily lives. The DVDs are captivating and easy to understand, and each presentation is about 30 minutes with the remainder of our time spent in discussion.
